### SUBSCRIPTIONS NOW DUE FOR 1925

*Do not overlook the blue slip inserted in this issue of Archives of Neurology and Psychiatry. It is a bill for your subscription for the coming year. If you have paid in advance, disregard the notice.*

*Printed on the slip you will find the names and subscription prices of the other journals published by the American Medical Association; also blank lines wherein may be written the names of the other journals for which you subscribe. The slip affords a convenient means of caring for several remittances by one check or draft.*

*Because of increased publication costs and also because of contemplated improvements in this and other special journals of the Association, the Board of Trustees has found it necessary to increase the subscription price of some of these publications.
